

ADVENTURE CLUB SICK POLICY

Foothill Christian Fellowship

1100 Sugar Pine Road
Meadow Vista, CA 95722
(530) 878-0293 - www.fcfmv.org

As always, we want to thank you for allowing us to serve your children. We will do everything we can to keep a healthy environment for everyone. We ask for you to help by complying with a few health guidelines.

Your child should not be in any Adventure Club activity with other's children if they have, but not limited to, any of the following symptoms:

- Fever within the last 24 hours
- Cough
- Runny nose
- Sore Throat
- Any symptom that would normally keep a child home from school or church
- Unusually lethargic behavior
- Vomiting or Diarrhea within the last 24 hours
- An unidentified rash or uncovered wet wounds
- Contagious conditions such as head lice, pinworms, pinkeye, impetigo, etc.
- Positive test for COVID19 within the last 14 days or Influenza within the last 7 days.

Adventure Club staff is not permitted to administer any medication (over-the-counter or prescribed) to your children. If this presents an issue for your child, please let us know so we can arrange an appropriate time for you to treat them. We would ask that you not leave any medications in the classroom, with your child, or in your child's bag. The only exception to this is that you may leave asthma-related rescue inhalers (properly labeled) with children who regularly self-treat at home/school. Please notify the Adventure Club secretary and their Adventure Club leader that you have done so.

Adventure Club leaders reserve the right to ask you to retrieve your child if they are acting ill or unable to participate due to illness.
